

Tuesday, January 16, 2024 - **Today is a "D" day**

January Regents Review Sessions:

Biology Regents Review Sessions will be held after school in room 333 on: 1/17

There will be a **Unified Bowling** meeting in the auxiliary gym Wednesday January 17th at 2:30. Remember unified bowling is for everyone regardless of skill level or experience. Come have some fun with us as we take on rival schools at the lanes! Please see Coach Immel with any questions.

The New York State Public High School Athletic Association, and Special Olympics New York have partnered together to provide schools the opportunity to have an interscholastic Unified Bowling team. Unified Bowling brings students with and without disabilities together to form a single team. The Unified Bowling team will represent our school competing against other schools in authentic competition in the sport of bowling.

In order for your child to participate in interscholastic athletics, you must complete the online registration through "FamilyID" which is located on the Ballston Spa CSD Athletics Webpage and linked here:

<https://www.familyid.com/ballston-spa-athletics>. *All participants must have a current physical on file and all medical information necessary to be cleared for athletic events.*

Peer Mentoring will be held after school today in Room 232.

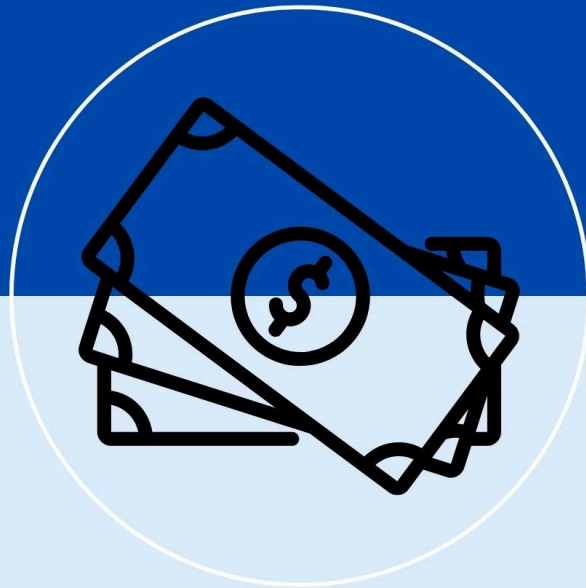

Join the Knitting and Crochet Club after school in the high school library on Wednesday, January 17. No experience needed and materials are provided. We meet whether there are late buses or not. All staff and students are welcome. Hope to see you there!

The OUTDOOR CLUB is meeting this Thursday, January 18th after school in room 244. All interested students are welcome to attend. This meeting is the planning meeting for the hike to Crane Mtn this weekend 1/20. Permission slips are available outside room 244 or within the club Google Folder.

Looking for more information? Check out the club website, or talk with our club president, Evan Zalucky. Hope to see you Thursday!

FINANCIAL AID INFORMATION NIGHT

**JANUARY 10 @ 6:00PM
HS LIBRARY**
