Congratulations go out to FTC Team 12870 Scottie Bots for competing at the Albany Regional hosted at Broadalbin-Perth High School on Sunday. The team competed very well against local and statewide teams at an all day competition. Even though our robot had problems during some qualifications, the team was able to test all functions they built and programmed for their robot. They were great contributors to their alliance partners. Please congratulate Natalie Croft, Theo Mayette, Sean Montanez, Logan Moore, Nick Parlapiano, Noah Pine, Ronin Ratti, Michael Thompson and Emma Williams
