The purpose of International Club is to offer students the opportunity to explore various world cultures. It is an extension of the foreign language classroom in that students have a chance to make unique projects, sample food, music, dance, language and more. Our International Club activities have included the following: Multicultural holiday celebrations, Zumba dance, African jewelry making, card making, the history of chocolate and the importance of the Fair Trade Movement, a foreign film night, International board game day and more.

In addition to the previous activities the International Club plans to include the following activities in years to come: International cooking, guest speakers, more opportunities for family and community participation as well as community service on both a local and global level.

We plan to meet the above goals by meeting with 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade students after school every 2<sup>nd</sup> and 4<sup>th</sup> Wednesday of each month.
