Vocabulary Skill

Review dictionary/glossary skills
In particular; Entry words, word endings, and parts of speech.

Reading: Life on the Ice

In reading, we will be reviewing main idea and details using a nonfiction text, Life on the Ice. Students will learn how to tell the main idea of the whole text, as well as the sections in the given text.

Math: Fractions

This week, we will review how to represent part of a whole using fractions. Students will also learn how to compare by reasoning about the size of the parts. Finally, students will take a short quiz on Friday to assess their basic understanding of fractions.

Science: Maps & Globes

This week, we will use maps to find locations and answer various questions about the map. In addition, students will learn about latitude & longitude. We will review on Wednesday, and take our Maps & Globes test on Thursday.

Happy Birthday,
March!

7 - Isaias
31 - Jerrame
