

From the Desk of Mrs. Sheft

Dear Third Grade Friends,

I am so excited to be working with you next year! I wanted to give you a bit of background about me. I live in Porter Corners with my husband and two children, Caroline and CJ. Caroline is going into seventh grade this year and CJ is going into fourth grade. You will hear many funny stories about Caroline and CJ, they keep me on my toes! I enjoy spending time with my family, reading, and going on vacation. I also love sports. I am a Red Sox fan (I know, I can hear the groans!), and I like the Golden State Warriors and the Pittsburgh Steelers.

We are going to learn many new things together in 3rd grade. Have you ever wondered what life might be like in different countries? How about multiplication, division, and cursive? These are just a few of the topics that we will be learning about in third grade.

As you enjoy your time off this summer, remember to read some good books. One of my favorite things to do over the summer is to sit on the beach with a good book.

My email is asheft@bscsd.org if you would like to email me over the summer. I won't be checking email every day, but I will reply eventually (my children keep me very busy)! See you in September!
