

August 2019

Dear Families,

I hope this letter finds you happy, healthy, and enjoying the summer! I am looking forward to meeting all of you! I am very excited to be teaching 4th grade again this year and there are a couple of things you will need to know before the first day of school.

First and foremost, our classroom is located on the third floor of Grove Street (G315), directly above the art room.

Second, you will need some supplies for your 4th grade year. Please see the attached supply list for items you will need.

And finally, on the first day of school, I'd like you to bring two items. Please bring a photo of something you did this summer! It could be anything from camping, swimming, vacation, or just playing outside! Also, please also be sure you've read at least 1 chapter book prior to school starting. If possible, please bring that with you on the first day as well (*if not possible, please be sure to know the title and author*). We will be using the photo and chapter book to kick-off our year!

Enjoy your last few weeks of summer vacation! See you in September!

Your 4th grade teacher,
Mrs. DeGregorio
