

August 2018

Dear Future Kindergartener,

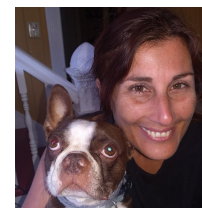

Are you excited to start school soon? I am going to be your teacher in September and my name is Mrs. Walz. I have been working really hard, getting our classroom ready and I can't wait for you to see it!

Let me tell you a little bit about myself. This fall will be my 23rd year teaching. I have lived in 4 states: New York, California, Oregon and Washington. I also lived in Germany. While we were living in Germany, we traveled a lot, and I visited 14 countries! I love to travel, read, take pictures, and I love to write. I wrote about my European travels on the on-line magazine, womanaroundtown.com. I can't wait to hear all about you, and what you like to do!

My husband, Tim, and I have been married for 22 years, and we have 2 children. Riley will be in 11th grade and Maggie will be in 9th grade at our high school. I have a Boston terrier dog named Buddy. He makes me laugh because he is so funny. I will tell you funny stories about him all year!

I can't wait to meet you at Kindergarten Orientation! Please bring your school supplies that day, so you don't have to bring them all the first day. The school supply list is on the back of this letter. I can't wait to meet you and your family! I hope you are having a great summer, and I will see you soon! We are going to have so much fun this year!

Love,
Mrs. Walz
