

Save the Date!

Super Science Saturday is January 18, 2020 from 10 am – 1 pm.

This year's theme is Oceanography and there are so many fun activities planned!

- *miSci classes*
- *Learn all about the different ocean zones*
- *Learn how climate change impacts the ocean*
- *Learn how whales stay warm*
- *Make sand slime*
- *Make ice cream at the beach*
- *Seashell identification*
- *Beach-themed terrariums and much, much more!*

We need volunteers!

*If you are able to volunteer, please fill out the bottom portion of this flyer and return to school.
Thank you!*
