## New! New! New!

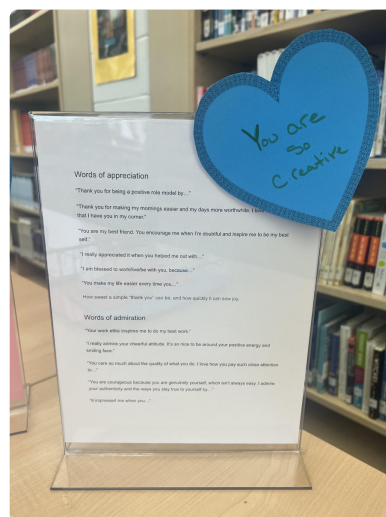

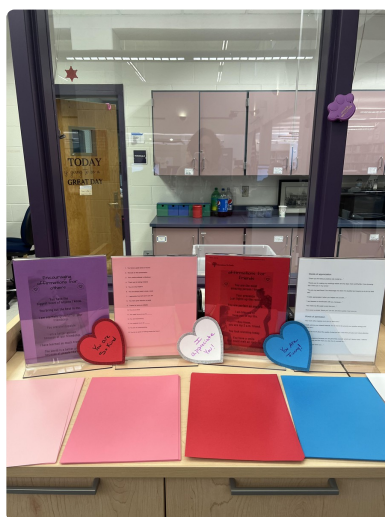

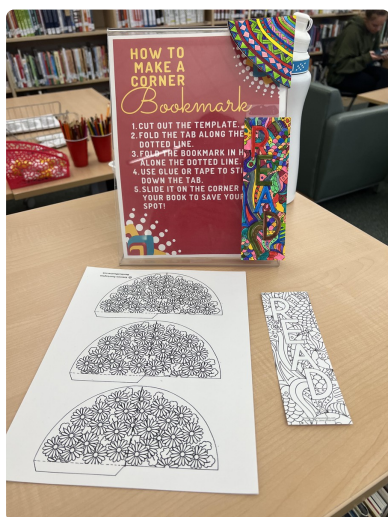

We have so many new books coming into the library on a regular basis in hard copy, eBook, or audiobook. This month we added many titles from the NY Times and NPR best books of 2022 lists in lots of different genres. Come check out our new book display to the right when you first walk in or look in Sora. Looking for something we don't have? Fill out the resources request form below (or on the library website) and let us know!

Our puzzle is coming along! Escape the winter doldrums and help us create a beautiful vista of Santorini with our 1,000 piece puzzle. Find the puzzle table directly to the left of the circulation desks in front of my desk.

## Makerspace for February

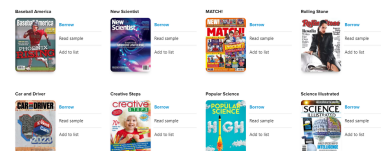

Come participate in our February makerspace. Stop in to write some words of affirmations to family, friends, and loved ones to celebrate Valentine's Day. You can also create a corner bookmark or color a bookmark to use while you are reading one of our wonderful books. All supplies are provided!

## Did You Know?

Sora has over 82 magazines you can borrow--and they are all simultaneous access, which means you will never have to wait. From the "Explore" tab, select "Filters" in the upper right hand corner. Click on "Format" and select "Magazines." Happy reading!

## Database of the Month

Gale in Context: Opposing Viewpoints provides different views on political and social issues, from capital punishment to immigration to marijuana, from thousands of magazines,

newspapers, journals, primary sources, reference sources, etc.. You can find this database on [Library.fyi](http://Library.fyi) under "Controversial and Timely Topics." Check it out!

## Collaboration Corner

In January, Mrs. Bernd's students came to the library and we worked together to complete public library card applications. Once we filled out our applications, we took a trip to the Saratoga Springs Public Library to receive our cards and check out books. We had a wonderful time!

We had many other exciting projects this month as well! Contact me if you need me to pull resources, want me to teach a lesson, are interested in some book talks, or if you want to collaborate on a multi-class project! There is nothing too big or too small.
